

AniMeals of Wake County

SPCA of Wake County and Resources for Seniors have joined forces to bring a new service that provides and delivers pet food to seniors and disabled adults living in Wake County who may be having to choose between feeding their pets or paying for necessities such as: heating their home, paying their bills or taking their medications.

AniMeals is a community outreach program that provides pet food to pet owners in need until they can get back on their feet. This needs-based program helps keep people and their pets together by removing logistical and financial obstacles to ensure that the owners will always be able to provide nutritious meals for their beloved pets. For many home-bound adults, a dog or cat is more than a pet; it provides friendship, joy and a reason to live.

Eligibility: Participants must be clients of Resources for Seniors and facing financial strain, physical limitations or a temporary crisis in their lives, in which they are unable to leave home.

Volunteer!

In order to make this program a success, we need dedicated volunteers to pick-up and deliver pet food to the AniMeals participants.

Pick-ups are located at the SPCA of Wake County on the 3rd Saturday of each month between the hours of 10am - 11am. Volunteers pick-up the pet food supplies during these hours and then deliver them to the participants.
